Siberian Breed Profile (Your Cat Magazine Breed Profiles Book 27)

Synopsis

Compiled by Your Cat magazine (Britain's best selling cat title), the Siberian Cat Breed Profile is simply a guide to the Siberian, including a fact file of all the important questions, plus character, health and a brief history of the breed. Also included... a guide to choosing a pedigree cat, plus your kitten's first few days at home - what to expect, how to settle him, the equipment you'll need plus plenty of helpful advice.

Customer Reviews

Full of practical information that will improve the transition when bringing a Siberian into your home.

Most of this book is generic information about getting a pedigreed kitten. Little information or photos of the breed itself, and what little there is needs editing. Don't waste your money on this.

Typical information you can find on the web. If you're looking for detailed information on feeding, training, size expectations, etc., this will not give you that for this breed of cat.

I really needed to get some 411 on this breed. I am super allergic but have been told this breed to get, and I like that they are big, fluffy, and have dog like personalities (I am a Cat person...but trying to convince family on one pet). Nice job on how to test for certain factors, getting a fur sample..sounds odd but just a clipping. Also, websites for breeders, care and feeding, etc. Cute Pictures too. This is really like a glossy fact sheet, is it better/worse than internet? Just compact, easy profile, questions to ask think about it. An interactive site/app based on would be good.
