Offering a wealth of creative ideas, and suitable for even pre-teen needlecrafters seeking to create an outstanding gift or memorial token. Fabric Picture Books is a wonderful and much appreciated addition to any needlecrafter's reference library.

I had this book on my Wish List for Christmas. My daughter gave it to me at Thanksgiving and I could not wait for everyone to go home so I could get started. The book is very easy to follow. Directions are in plain english with lots of tips on sewing the book together. You will never look at fabric without seeing a book.

I saw one of these picture books being made on a TV show - the book has lots of easy designs and is very well illustrated.
