# Productivity Secrets With Google Keep: How I Use Keep Daily To Stay Organized And Productive

## Synopsis

I wrote this book for others who like me, use Keep and are curious about how others use it in their daily life to stay organized and productive. Most books and articles only talk about how to use Keep but rarely do you see people explaining their personal routines/workflows around Keep. My hope is to share my workflow with others so they can get ideas about tailoring their own workflows and get more benefit out of using Keep.

I enjoyed learning about the key features of Google Keep and how best to use the App. I really liked that the book was a quick read. The Mexico vacation example was superb. I will be sure to use the Google Keep app while referring back to this book as a reference. Great job Harsh!
