Customer Reviews

This was a horrible coloring book. It's not worth the purchase. It's a bunch of bad sketches of cards and not easy to color or determine lines. I had purchased this for my mother who has enjoyed coloring old Victorian dresses and this was very disappointing.

This color book would be hard for children to use. I love the pictures though many of them are very vague. You will need to color and draw in the details yourself. The pictures look like they say, COPIES, of vintage Christmas cards. Not quality copies either. Very rough. I recognize many of the pictures from reproduction cards I have.

The pictures are like xerox copies from the 80's! lol. I'm going to color it because I paid for it, but there are other vintage coloring books out there with much more defined lines and areas for coloring.

the pictures weren't well printed

beautiful holiday Christmas pictures to color and decorate. Great for any age.
