ISBN-13: 978-0486236261

Product Dimensions: 10.9 x 8.3 x 0.4 inches

Shipping Weight: 14.4 ounces

Average Customer Review: 4.1 out of 5 stars [See all reviews](#) (11 customer reviews)

Best Sellers Rank: #642,900 in Books (See Top 100 in Books) #85 in [Books > Crafts, Hobbies & Home > Crafts & Hobbies > Papercrafts, Stamping & Stenciling > Stenciling](#) #2011 in [Books > Arts & Photography > Graphic Design > Techniques](#)

Customer Reviews

Bought this book several years ago, and used it for several very successful projects. Then I loaned it to someone who moved out of state with it and several others on Egyptian art(book thieves are the lowest form of life). The only one I have not replaced, and have sorely missed, is this one. Anyone interested in Egyptian motifs and designs will find it a wonderful source of clear, readily usable outlines to work from.

It was a GREAT price!, But stencils were not cut out and alot of work has to be done; not including the money I had to spend trying to buy the stencil cutting tools on my own! Overall great artwork, the pictures are clear, no mistakes and you do get alot of stencil pictures for a great price!

I bought this for my little cousin, then got another copy for myself. The stencils are easy to use and historically accurate.

The book marks are interesting and made a good incentive for my students while we were studying Egyptian history and culture. I think it is well suited for kids who are 10-12 years old

The delivery and packaging were great, but the book itself is not exactly what I was hoping for. It's not what I think of when I think of stencils.

Love the stencils, but seems a bit flimsy for heavy use. I'm thinking about laminating them. Overall, these are good and pretty rare.
