Fantastic 5 star book. Hundreds of color photos along with values for the items in this book. This is a older book but I have found over the years that each of the Summers Cola books contain some items that are not in previous books so having all of the different guides by Summers on Coca Cola can be helpful in at least getting some info on hard to find Coca Cola items and a general idea of a value on items you have. The book provides lots of info on the Coca Cola items in it and a very helpful tool for both the dealer and collector of vintage Coca Cola. I recommend this book very highly. Thank you.
