# Mama Wears Two Aprons: Women In Farming And Farm Marketing

## Synopsis

Women were not invented until the 1950s. Or so it seems to the archival reader, searching for accounts of early farm women. Primary sources, however, reveal a different picture. At the heart of every successful farm was a woman. In this unique history, Margaret Coleman explores women farmers in Montgomery County, Maryland, from the early days to the present.

## Book Information

Paperback: 136 pages

Publisher: PublishingWorks (January 1, 2008)
