Customer Reviews

In order to call themselves good Christians, many people have drawn overly flexible boundaries (unwilling to say no, always accommodating others' needs) or overly rigid boundaries (to the point of being righteous and judgmental). Psychologists and inspirational speakers Cloud and Townsend show readers how to set reasonable boundaries in order to follow the true path of Christianity. This book has become immensely popular, most likely because it makes personal boundaries easier to define and is filled with spiritual purpose. Some cautions: the format can be overly self-helpish for such a complex discussion and the authors at one point imply that judicious spankings may be an acceptable form of setting boundaries with children. However, many Christians will probably find themselves grateful for this biblical context of boundaries. --Gail Hudson --This text refers to an alternate Hardcover edition.

Dr. Henry Cloud and Dr. John Townsend have great insights and practical wisdom into the

God-given gift of boundaries. As they discuss how to take responsibility for and ownership of our lives, they give hope that we cannot just survive -- but thrive! --Josh McDowell, Author, Author and Speaker --This text refers to an alternate Hardcover edition.
